Larry,

The 6,7&8th are not good for me (municipal conference) and the 11th is a holiday so those are the only bad days. I like the option #2 but would not be opposed to either one.

I would appreciate if you could check your calendars for the week of October 4 or October 11 for any times that you would not be available for a conference call to close the hearing process. I am assuming the call would be for one hour or less. **Let me know any times that you are not available.**

We also need to set a date for our next Board meeting and hearing. After visiting with Delaine at the PUC we have two options.

1) We can have the meeting in the first two weeks of November and hold a Board meeting and Enforcement hearing combined. We would then schedule a rules hearing for early December or delay the rules hearing until after the legislative session.

2) We can schedule a meeting for the early part of December and conduct the Enforcement Hearing, Rules Hearing, and Board meeting at the same time.

Let me know your preference.
